

A note from the Head

Together, as Woodland Federation, we remember the life of Her Majesty the Queen and reflect in unison on the truly inspirational person she was.

We also celebrate in remembrance as we consider the impact of the Jubilee commemorations at both of our schools and we are thankful that our young children were able to join together and mark the 70-year reign of our remarkable monarch. Those happier memories are now etched in our young children's minds and will remain with them as they move forward in their lives. Therefore, the impact of her passing will have particular significance being that they have so recently celebrated her aspirational personal attributes of decency, dignity, statesmanship and empathy.

We held an assembly today in celebration of Her Majesty's life and in respect of the national mourning process.

We would like to create a school scrapbook to commemorate the life of the Queen. If the children have anything they would like to contribute, such as a piece of art or a poem, please bring into school and give to your teacher. Thank you.

WELCOME BACK

A NOTE FROM MRS FENEMORE

Dear Parents and Carers

We hope you all had a restful and relaxing summer break, we were so lucky with the weather. It has been so lovely to see all the children again, we do miss their smiling faces. They have all settled back into their new classes and have had a fantastic week.

A huge thank you from the staff for all the wonderful cards and presents at the end of term. It was very kind, and much appreciated. I hope our Year 6s have settled into Chulmleigh, we know they will be amazing! This term we welcomed our new Reception children into school, they are settling into the new routines very well. We welcome Antonia into Class 1 and Toryn to Preschool; we hope that you will be very happy with us. A warm welcome to Mrs Stapley our Preschool teacher, we hope everyone makes you feel very welcome.

At the beginning of the week, we sent out our diary dates for the year, we have lots of exciting things planned and can't wait for parents to come back into school. We have included this page in the newsletter as well for you and you can always find an up-to-date calendar of events on the website. Our first event is a Scarecrow Competition—more details to follow! We are also looking forward to welcoming parents into school next Tuesday for our welcome meetings.

Year 6 have already stepped up to their roles and responsibilities as role models for the school. We will be electing school councillors next week.

As a school, we cover internet safety through the curriculum, this is such an important area especially as some children have phones now at a much younger age. We would just like to draw your attention to the fact that to use What's App, children should be 16 years of age, this has been set as some children do not have the maturity to manage group chats. If you do allow your children to use social media, please make sure you monitor these regularly.

Have a lovely weekend and we look forward to seeing everyone on Monday.

Fenemore

Welcome to our new Reception children and Antonia in Class 1

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

We have had a great week in Class 1 and it has been a real pleasure to welcome our new members of the class!

Reception have all settled into the school routine brilliantly and although they may be tired by the end of each day, they are showing great stamina and enthusiasm. They have been practising how to write their names, discussing themselves, thinking about the story 'Giraffes Can't Dance', drawing a portrait of their faces and learning number rhymes.

Years 1 and 2 have been writing a fact file for an inspirational person in English and working on place value in Maths. We have started our Geography work on The United Kingdom, by discussing and finding out about England. In Science, the children have been sorting and comparing everyday materials. We have worked together to create a list of class rules and even made a picture for our own Christmas cards (which you will be given the chance to order next week)! We hope these will prove popular as the school will benefit from all sales made.

Well done Class 1, what a fantastic start to the year.

Mrs Godly

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

It has been a busy week in Class 2 and fantastic to welcome the children back after the Summer holidays. The new Year 3 children have settled into life in Class 2 seamlessly.

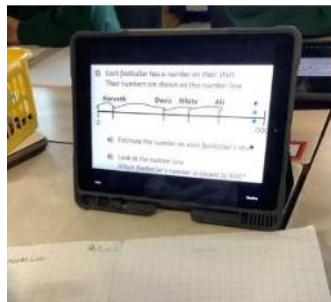

We have started our English sequences this week about inspirational people. Year 3 and 4 have been learning about Ada Lovelace, finding out who she was and why she was an inspiration to people. In Year 5 and 6, we have been learning about the Civil Rights movement and the children have learned about Harriet Tubman. We have created sentences about her, using relative clauses within our sentences to provide extra information to the reader.

In Maths, the children have been learning about place value and in Year 3 and 4 they have been partitioning numbers in different ways. In Year 5 and 6, we have been learning about Roman Numerals and the children have been investigating making numbers to 1000 using Roman numerals. We have investigated the rules of using these and applied them to our learning.

This week we have started our new sequences in our subjects and look forward to an exciting half term of learning. In Science, Year 3 and 4 have started learning about different types of rocks and what type of rock they are. This week we have also started Times Tables Rockstars and the children have been very excited to continue from last year. All the children have been given their login details and a letter explaining how to access this at home. If there are any concerns or issues please contact the office and we will try to resolve any problems.

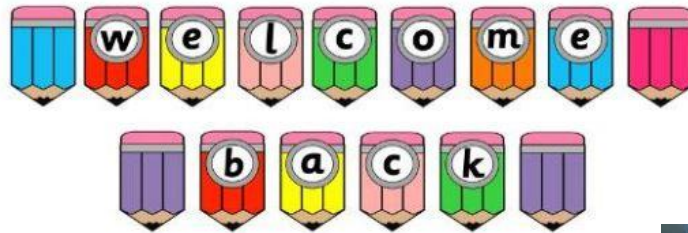

Enjoy your weekend and a well earned rest, Class 2.

Mr Saltearn

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

What a wonderful week! You can be very proud of how well all the children have settled into the Preschool routine and engaged brilliantly with the learning opportunities available. We have been delighted to welcome Toryn to our class; we have all had a lot of fun together.

This week we have explored all the different areas of learning and the new resources available. The children have created their 'Marvellous Me' portraits, firstly by looking in a mirror to study their features and then carefully choosing the colour and shape that they needed to re-create their beautiful faces!

Thank you for sending in photos of your family members; the children have enjoyed sharing these with their friends and they will be displayed in the classroom for the children to be proud of! Please continue to send in family photos so we can add to our display.

Stay & Play starts next week from 1000-1130 as usual. It will be lovely to see as many of you as possible then.

Have a lovely weekend.

Kelly Stapley and the Preschool Team

CLUBS

AUTUMN HALF TERM 1

Mondays—Pick & Mix

Unfortunately, only 4 children signed up for Pick & Mix club and we need 7 for the club to be financially viable. Regretfully, this club will therefore not be running. We will offer it again after half term to see if the interest is there. Parents who have already paid will be refunded via the Gateway.

Wednesdays—Sport

SSW Sports Club, 1530-1630. Free of charge. Sign up here:
<https://saints-southwest.class4kids.co.uk/info/1153>

Thursdays—Drama

We are hoping to run an after-school drama club with Antonia Whittick. Free taster session Thursday 15th September, 1530-1630. Sign up for the taster session by [clicking here](#).

Before School Club

Monday-Friday during term-time. Parents and carers have the choice of booking half hour or hourly slots and bookings must be made at least 1 week in advance. Our Before School Club is run by Mrs Mandy Blacker and Mrs Theresa Slade and the children are offered a wide variety of exciting activities. A half hour booking costs £2 and one hour costs £4. Bookings can be made in the 'Dinners' section of The Gateway.

DIARY DATES

ACADEMIC YEAR 2022-23

Please note, the dates of activities and events may be subject to change. More events may be added. Further information about each event and activity will be sent out to parents and published on the website nearer the time.
