

Summer Term Newsletter April 2024

Our topic this term is 'Travel and Transport' We will be learning about and investigating different ways of travelling and places we'd like to visit locally and around the world! This will include hearing and learning rich vocabulary and retelling our own stories through role play and small world activities. We will also be discussing and experiencing the seasonal changes as they occur throughout the term.

Also coming up this term we will be welcoming Clive Pig- famous author and story teller who will be visiting the Preschool in June. More information to follow.

Helpful reminders:

Naming Clothing, Bags and Lunchboxes.

The end of the day can be tricky for little ones. Can we please ask you to clearly name coats/sweatshirts/bags and lunchboxes. By managing their own belongings, it will encourage the children to become more independent.

Toileting

Please keep us up to date with any toileting needs. If your child needs to use nappies and wipes these need to be sent in from home and please include nappy sacks.

Uniform

Uniform is not compulsory, and children are obviously more than welcome to wear their own clothes. However, if you would like to order a school Sweatshirt, they can be ordered from our uniform supplier

Maritime Motifs in South Molton. Please see the school website for more details.

We don't recommend that children wear their best outfits to Preschool as we encourage them to spend time exploring the different activities on offer and these can often include using resources that can be a bit messy!

Suitable footwear is a must! Trainers or shoes that the children can move freely in and that they can independently take off and put on by themselves.

Snack

The children have a choice of milk or water. We promote independence by encouraging the children to pour their own drinks and peel their own fruit. If you would also like to provide a water bottle for use throughout the day, please name it and we will keep it in the snack area where it will be accessible throughout the day. If you do wish to provide a water bottle, please ensure it contains only water.

Development scrap books and assessments

Preschool staff will gather observational evidence to assess your child's development under the Early Years Foundation Stage Curriculum. At the end of their time with us you will be given a scrapbook containing photographs, artwork etc. as a memento of their early years journey.

We are really looking forward to an exciting term ahead and feel privileged to be able to share your child's learning and development with you.

If you have any queries or questions just let us know and we will be happy to help.

Mrs Stapley and the Preschool Team
