

Italy- study of a European country

Legacy & Significance

The lasting impact and importance of a person, event, object or idea.

Prior & Future Knowledge

During previous years, you studied the local area (Kings Nympton). Compared The UK to other countries, such as Sri Lanka.

Throughout KS2 you will explore the human and physical features of different locations in the world. Use maps and mapping skills to locate cities, landmarks and key geographical features.

My Component Knowledge:

Lesson 1: I can understand the key vocabulary and recall knowledge about continents.. I can locate Italy and other countries in Europe and ask questions to find out more.

Lesson 2: I can compare Mount Blanc to the Lake District and make comparisons about Italy and The UK.

Lesson 3: I can create a fact file about Italy and compare it to other countries in Europe.

My Composite Knowledge:

I can understand that Europe is a continent. I can draw comparisons between Italy and the United Kingdom,, drawing on prior knowledge.

My Powerful Knowledge:

I understand that different countries and locations have different human and physical geographical features. I understand that different locations have different cultures. I can use the language of comparison.

Key Vocabulary

Tier 1: city, river, temperature

Tier 2: climate, continent, population, mountain ranges

Tier 3: peak, capital, regions, latitude

What is the capital of Italy?
What is there to see in Italy?
How are Italy and the UK different?
