

# 20th Century Leisure and Entertainment Environment

## Prior Knowledge

Year 1 History: Holidays in the past.

Year 1 History: Toys now and then.

## Key Vocabulary

**Tier 1:** Technology, entertainment, The Sixties, cinema, television, sport

**Tier 2:** Century, decade, leisure, Charlie Chaplin, coronation

**Tier 3:** Software

## My Component Knowledge:

Lesson 1: How did the Victorians entertain themselves on holiday?

Lesson 2: When did the cinema and television become popular?

Lesson 3: What types of music were popular in the 20th Century?

Lesson 4: Which sports were popular in the 20th century?

Lesson 5: When were computers and the World Wide Web invented and made popular?

Lesson 6: How did people entertain themselves in the 20th century?

## My Composite Knowledge:

I know the different forms of entertainment that became popular during the 20th century and can explain the reasons why.

## My Powerful Knowledge:

I know that a lot of changes took place in the 20th century including changes related to how people spent their leisure time. The cinema, television, sports, music and new technology changed the way that people entertained themselves and still do.

When were computers and the World Wide Web invented?

Why did the television become more popular than the cinema?

<b>Early 1900's</b> Cricket is the most popular sport and films are black and white.	<b>1914 - 1918</b> WW1 makes football the most popular sport.	<b>1922</b> Radio broadcasting began in Britain.	<b>1926</b> The television was invented.	<b>1930</b> Cinema audiences began to decline.	<b>1938</b> Computers as we know them were invented.
<b>1953</b> Margie Jamieson brought their first TV to watch the coronation of Queen Elizabeth II.	<b>1960</b> Watching TV was the most popular leisure activity.	<b>1960's</b> People wanted a revolution in terms of behaviour, clothes and music.	<b>1990</b> The World Wide Web was invented.	<b>1914 - 1918</b> World War 1	<b>1939 - 1945</b> World War 2
