

Where we live

Construction

Prior Knowledge

Year 1: Learned about their school in relation to the local area.

Explored a range of maps, atlases and globes.

Used simple compass directions and locational language to describe features on a map.

Used simple fieldwork and observational skills to study their school and local area.

Key Vocabulary

Tier 1: house, near, far and shop.

Tier 2: north, east, south, west, compass, direction, location, city, town and village.

Tier 3: Physical fea-

My Component Knowledge:

Lesson 1: I can identify where I live and what my local area is like.

Lesson 2: I can understand what human and physical features are.

Lesson 3: I can identify how physical and human features are shown on a map.

Lesson 4: I can recognise examples of human and physical features around our school.

Lesson 5: I can understand how to use a compass.

Lesson 6: I can draw and label a map of my school and local area.

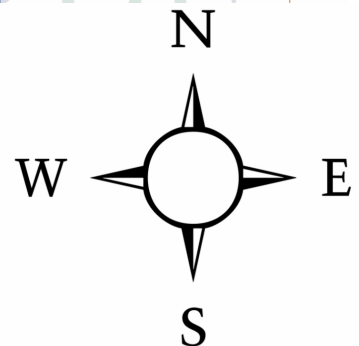

My Composite Knowledge:

I can explore my local area and construct maps to exemplify my observations.

My Powerful Knowledge:

Can you find examples of physical and human features around

What do we use maps for and why are

What might you include in a map of your
