

KINGS NYMPTON Primary School

Geography- Regions

Environment

Prior Knowledge

Year 3: Our school; where we live; the United Kingdom; vil-lages, towns and cities

Counties and cities of the UK.

Human and physical charac-teristics and changes over time .

Using and making maps— local study .

Regions

Key Vocabulary

Tier 1: postcode, land use, address

Tier 2: landscape, county

Tier 3: grid reference, district, land use, region

My Component Knowledge:

Lesson 1: I can define key vocabulary and use it within a sen-tence.

Lesson 2: I can define what a region is and give an example of regions within the UK.

Lesson 3: I can identify different uses of land

Lesson 4: I can identify the landscape regions of the UK

Lesson 5: I can research different regions.

Lesson 6: I can recall knowledge.

My Composite Knowledge:

I can define the term region and explain what a region is. I can explain how the country is divided into different regions and how each region has a separate postcode. I can explain land use and use a grid reference to locate features on a map.

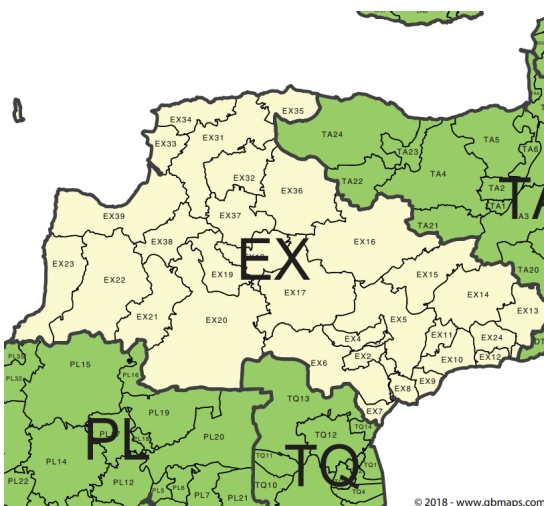

My Powerful Knowledge:

I can define what a region is and explain how they can be different sizes and how each one will have a postcode. I can explain land use and use a grid reference to locate features on a map.

What is a postcode?

What is a region?
