

Painting and Drawing

Innovation

Prior Knowledge

Year 4: Painting and drawing—portraits

Year 5: Painting and drawing—observational drawings.

My Component Knowledge:

Lesson 1: I can research Escher's multi dimensional drawings.

Lesson 2: I can reflect upon an artists illustrations.

Lesson 3: I can add colour to my drawings to create an effect.

Lesson 4: I can design my own multi-dimensional landscape.

Lesson 5: I can create my own multi-dimensional landscape.

Lesson 6: I can evaluate and suggest improvements on my drawing.

My Composite Knowledge:

To create a multi dimensional drawing and understand and explain how adding colour to a drawing can add an effect.

My Powerful Knowledge:

I can design and create my own multi dimensional landscape and add colour to create an effect and suggest improvements for my drawing.

Key Vocabulary

Tier 1: two-dimensional, three-dimensional, study, illustration, compare, area

Tier 2: multi-dimensional, platform, element, locality, landscape, unrealistic, realistic

Tier 3: trinket, foreground, observational, mid-ground,

What is a multi-dimensional drawing ?

How can you use colour to make an impact?
