

A note from the Head

Dear Parents and Carers

I hope you all enjoyed the lovely weather we had over half term. It has been lovely to see the children back in school, they have come back ready to learn, as always. The learning overviews for this half term are now available on the website. Please click the relevant link below to access these:

[Class 1](#)

[Class 2](#)

The summer term is always very busy and there is lots going on. Year 3 and 4 enjoyed their day bell-boating at Haven Banks, the photos looked great and they all had a fantastic time. The rain stayed away from Exeter! There is lots to look forward to as the term progresses, especially for our Year 6s who have our residential to London and Bude as well as their day at Splashdown. Year 3 and 4 are off camping, Preschool have their family trip to the Big Sheep and Class 1 have their trip to Bude beach (more details coming soon). All groups will be meeting up with their friends from Winkleigh.

We have had a number of enquiries this week from families with Preschool- and school-aged children looking to come to Kings Nympton which is great news. As always I am sure our children will make them feel very welcome. We were delighted to have Roman join Preschool this week and we are looking forward to Tristan joining Class 2 on Monday.

As our Preschool grows, we are looking for input from the community regarding session timings. If you know of anyone who may be considering joining us in the future, perhaps you would be kind enough to share the link to a brief survey for us? The deadline for completion is next Thursday at 9am. Thank you.

[Preschool Survey](#).

We would like to send our huge congratulations to Mrs Roadnight who has successfully secured a post at Shebbear College as the Reception teacher and Early Years Lead. Mrs Roadnight has been part of the team at the Woodland Federation for over 10 years and will be sorely missed by all, but we are very excited for her and wish her the best of luck in her new role. She will be leaving us at the end of this term. We are currently in the process of recruiting for her role.

Our catering supplier, Norse, is also busy recruiting for the role of Catering Assistant here at Kings Nympton. It's a lovely job that works well around school hours and holiday. Please see page 9 for details. It comes with a parking space outside school at drop-off time!

A couple of housekeeping points regarding the end of day. I'm afraid that dogs are not allowed on the school premises, including the playground, for health and safety reasons. Similarly, children should not play on the equipment after school. Thank you for your understanding.

Finally, don't forget to order your school photo from Tempest, the deadline is Monday 20th June. What a lovely memento of the whole school and Preschool together. On the subject of photos, we have compiled a gallery of some really lovely shots from the Jubilee Tea last month: [click here](#).

As always, have a lovely weekend, let's hope the sun shines!

Best wishes

Benmore

DIARY DATES

W/C 13TH JUNE

Daily	8.00am deadline for booking school meals on the Gateway
Monday 13th June	Deadline for booking Before School Club for next week Lego Sense Club, 3.30pm-4.30pm

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

We have started this half term with enthusiasm and great efforts in all activities!

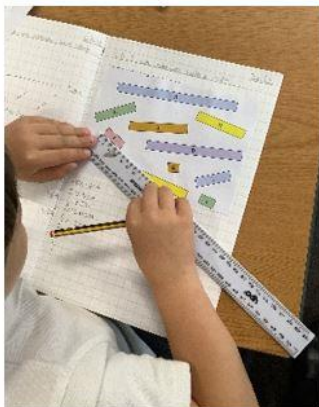

Reception have been concluding their topic on Healthy Living by learning about other ways we can be healthy and have made a healthy lifestyle wheel to record all the ways they know. They have also been finding out about the Hindu Raksha Bandhan ceremony, which celebrates the special bond between brothers and sisters. They enjoyed making their own friendship bracelets for each other to show they all have a special bond too. They have also been finding out about and investigating doubling in Maths and enjoyed using paint and small world characters to practise this.

In English, Years 1 and 2 have started a unit of work on a non-fiction book called *Hidden World: Ocean* by Libby Walden. They have enjoyed learning new facts about different sea creatures and discussing new vocabulary in the text. In Maths, Year 1 have completed their work on multiplication and division. They have been learning how to make equal groups by grouping and sharing. Year 2 have started a unit of work on length and height. They have been drawing and measuring lengths in centimetres, measuring using metre sticks and comparing lengths using equal to, greater and less than symbols.

In other lessons, the children have been finding out about Mother Teresa, planning a route from Kings Nympton to Bude and answering the question: What makes a good pet and how do we look after it?

Well done, Class 1!

Mrs Godly

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

It has been great to welcome the children back for our last half term of the year. It has been fantastic to see their excitement and enthusiasm for the new half term. If you haven't done so already, please head to our [class page](#) on the website for an overview of our learning this half term. Please note that our PSHE topic this half term is *Growing and Changing* and all year groups will be learning about puberty, so the children may ask questions on this subject at home.

It has been a busy week in Class 2. On Monday, we walked to the village hall in preparation to write our re-counts on Thursday. The children worked in small groups to think about what they heard, saw, and smelt on their journey and to verbally recount their journey to the class. As a class, the children offered feedback to the different groups to improve their recounts.

In Maths this week, Years 5 and 6 have continued with their sequence and have been learning about angles on a straight line, around a point and vertically opposite angles. The children have been using their knowledge of these to calculate missing angles. In Year 3 and 4, the children have completed their sequence on statistics and have started their new sequence on properties of shapes.

Before half term we introduced *Times Tables Rockstar* to the children and it has been great to hear the children get excited about practising their times tables and challenging each other to improve. This has had a positive impact on their times tables and Around the World challenge that the children complete each week. Keep up the hard work and maybe challenge parents to a game!

This week, Year 3 and 4 travelled to Exeter on the train to Haven Banks to try bell-boating. The children had a fantastic day and really enjoyed the experience, some getting wetter than others! Thanks to our parents and carers for dropping and collecting the children to and from the train station.

Have a great weekend, Class 2.

Mr Saltearn

LITTLE WOODLANDS

SUMMER HALF TERM 2 LEARNING

Welcome back! We hope you had a fantastic half-term holiday. The children have been telling us how they celebrated the Platinum Jubilee with family and friends. Lots of fun was had by all and lots of cake eaten it seems!

This half-term we welcome Roman to Preschool. We are sure he will settle in quickly and soon become a huge part of our setting.

As ever, the first newsletter of the half-term is a little different to the weekly edition as we share our learning overview with you all. Our topic for this final half term of the academic year is *Marvellous Machines*. We will be focusing on the concept of 'Innovation' and we will look at how machines have been developed to allow us to conquer all aspects of life, from farming and construction to exploration under the sea and venturing off to far off lands, even outer space!

We have our family trip booked for the 6th July. We are very much looking forward to you joining us for a fun filled day at The Big Sheep in Bideford.

Under the Early Years Foundation Stage, the seven areas of learning and development will be covered as follows:

Personal Social and Emotional Development

Talk about what we want in the future, our dreams. What do we look forward to, what are we proud of? Have confidence in own abilities and learn to manage setbacks and disappointments. Learn to take responsibility to look after ourselves, including managing personal needs independently and managing our own risks.

Communication and Language

Enjoy listening to longer stories and can remember much of what happens. Sequence stories and lists in the correct order (Whatever Next by Jill Murphy, Aliens Love Underpants, Marvelous Machines)
Listen with increased attention to sounds, using Little Wandle phonics programme.

Show interest in recognising familiar words including writing our own name.

Begin to formulate graphemes in a related context

Introduce a range of vocabulary and begin to use vocabulary in everyday conversation.

Can start a conversation with an adult or a friend and continue it for many turns.

LITTLE WOODLANDS

SUMMER HALF-TERM 2 LEARNING

Literacy

Listen and respond to a range of books and stories-fiction and non-fiction

Begin to recognise initial letter sounds, blend and segment words and recognise familiar words, using some of our print knowledge in writing.

Talk about a variety of subjects using new vocabulary

Physical Development

Start taking part in some group activities which they make up for themselves, or in teams, collaborating with others. Play on different types of play equipment - having a go and taking a risk.

Be increasingly independent as they get dressed/undressed

Show preference for a dominant hand and continue to develop fine motor control.

Expressive Art and Design

Choose the right resources to carry out their own plan.

Use your imagination to engage in role play activities.

Use one-handed tools and equipment, for example, making snips in paper with scissors

Use a comfortable grip with good control when holding pens and pencils

Explore colour and colour mixing

Create closed shapes with continuous lines and begin to use these shapes to represent objects

Draw with increasing complexity and detail

Remember and sing entire songs

Respond to what they have heard, expressing their thoughts and feelings

Experiment with sounds

Understanding the world

DT – Explore how things work.

Make imaginative and complex small worlds with blocks and construction kits.

Explore different materials freely, in order to develop their ideas about how to use them and what to make.

Science – Talk about and recognise the planet in the solar system. Talk about the phase of the moon. How do we travel to Space?

How do machines make our lives easier? Explore machines used in farming, construction, under the sea, emergency vehicles

Maths - Number

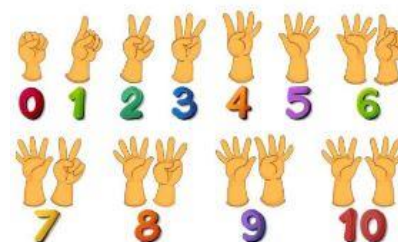

Recite numbers past 5, sequence numbers in order to 10. Count backwards from 5 to 0.

Fast recognition of up to 3 objects (subertising)

Show 'finger numbers' up to 5.

Solve real world mathematical problems.

Sequence and recognise patterns.

Shape & Space

Make comparisons between objects relating to size, length, weight and capacity.

Begin to describe a sequence of events, real or fictional, using words, such as 'first', 'then...'

LITTLE WOODLANDS

HELPFUL REMINDERS

Development scrap books and assessments

Your child's key person (Tammie takes on this role in our setting) will gather observational evidence to assess your child's development under the Early Years Foundation Stage Curriculum. You will receive two reports with regard to your child's progress and we will update you on their next steps during termly parent's evenings via Zoom. At the end of their time with us you will be given a scrap book containing photographs, art work etc. as a memento of their nursery journey.

Reports will be issued towards the end of term.

Sun-cream/Sun hats/Summer clothing

Fingers crossed as the term progresses the weather will become warmer. We will shortly be sending out permission slips for you to authorise re-application of sun cream. Could we ask you to put sun cream on your child in the morning and we will re-apply at lunch time? Please ensure their bottle of sun cream is left in their bags and named. Could they also bring in a sun hat and, if it is a particularly sunny day, avoid strappy tops that do not cover shoulders. Many thanks.

We are really looking forward to an exciting final half-term ahead and feel privileged to be able to share your child's learning and development with you.

Cherry and Tammie

JOB VACANCY

SOUTH WEST norse

JOB VACANCY at KINGS NYMPTON PRIMARY SCHOOL CATERING ASSISTANT

Norse Commercial Services is part of Norse Group Ltd, a company wholly owned by Norfolk County Council.

FUNDRAISING

BAG 2 SCHOOL FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

Kings Nympton Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

PLEASE USE YOUR OWN BAGS (THERE IS NO LIMIT).

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!
Extra bags are welcome - there's no limit

Please return your Bag2School on:

Thursday 14th July 2022 by 9am -
at Orchard House, Steeple Meadow

01609 780 222

helpdesk@bag2school.com

SUMMER DRAMA WORKSHOPS

Workshop 1 - for 11-15yrs, 15th to 17th August 10am - 3pm £55 total

Workshop 2 - for 5 -10yrs, 18th & 19th August 10am - 3pm £45 total

Using improvisation and fun drama games create your own play or scene with your own devised characters!

These sessions are intended to be fun rather than formal sessions, guided by all of you and what you would like to learn and find out about.

All ages welcome from 5yrs upwards, you'll be working in groups of similar ages, so don't worry!

Sessions run at the times shown above in the Heywood Hall at Chulmleigh Community College.

For further details contact Antonia Whittick on: **07938 956158** or **Antoniawhittick1970@gmail.com**
awhittick@chulmleigh.devon.sch.uk

KIDS' SUMMER SCHOOL

PERFORMING ARTS Summer School

Monday 1st August - Friday 5th August

Ages: 5-13 years.

Hours: 10am - 3pm.

Cost: £140 per child (£100 for siblings).

Children will work on singing, dancing and acting and put on a short performance to parents at the end of the week!

MULTI ACTIVITY Summer School

Monday 8th August - Friday 12th August

Ages: 5-13 years.

Hours: 10am - 3pm.

Cost: £140 per child (£100 for siblings).

A whole range of activities all week to include cooking, arts and crafts, football, basketball, games and much more!

Both clubs will be held at Chulmleigh Pavilion and will be run by Matt and Andrews-Straw. We have several years of experience working with children and are fully insured and hold current DBS checks.

There are a limited amount of spaces available, if you are interested, please email amyvictoriaandrews@gmail.com or message: 07816 509583.

Please let me know the names and ages of your child/ren and which weeks you are interested in.

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

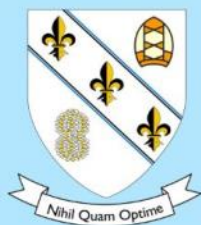

It takes less than a minute to apply.

Visit the Citizen Portal Devon

https://oneonline.devon.gov.uk/CCsCitizenPortal_LIVE

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot
of your confirmation to
