

A note from the Head

Dear Parents and Carers

What a beautiful week, the sun has certainly been shining, it has been so lovely to get out in the grounds and make the most of the sun.

The feedback from the move up days has been very positive, the children really enjoyed being in their new classes and getting to know their teachers for September. It was lovely to welcome our new Reception parents into Class 1 to meet with Mrs Godly this week. Thank you to all those parents who attended the Parents' Evening, it is a great way to hear about your child's progress alongside their report. Mr Saltearn's postponed evening has been rescheduled to Wednesday 20th July, with appointments at the same time as those booked for this week.

Thank you to Paula, Nikki, Sammy and Carly who attended our Parents' Forum yesterday and thank you to all parents and carers who contributed items to the agenda. We had lots of items to discuss and had a really positive meeting, where we could explain and listen to points raised and respond from a school point of view. It is useful to be able to move forwards together, both staff and parents, and your views are always appreciated and valued. The minutes will be available shortly and will be published on the website in the Parent Info section.

A huge thank you to Mr Davis who finally finished going through all the photos of surf camp and turned them into a fantastic movie, which is on our Facebook page, it is such a nice way to sum up the camp. Lots of lovely memories created! Please see page for 5 an insight into the surf trip from our Year 6s.

The last of our Year 6 trips is to Splashdown on Tuesday, I think a water park is just the place you would want to be in the heat, a great way to keep cool! Don't forget to arrive at Winkleigh early for bacon rolls! Thank you once again to all parents for transporting the children to Winkleigh as the start point for several trips this term which really helps us keep trip costs down.

Class 1 are looking forward to their beach trip to Bude on Monday. We have located our pop up tents (thanks Mrs Blacker!) and will be taking these on the trip so we can provide some shade. Please make sure children have sun cream on, hats and plenty to drink. We will also be taking extra water with us.

We are looking forward to our leavers' events next week. All school families are invited to join our Year 6 Leavers' Assembly on Friday 22nd at 9am. We have also invited Logan and Scarlet who are now in Year 7 at Chulmleigh Community College to come into school on Friday morning for an informal Q&A session with our leavers later the same morning. We thought that this would be a great means of giving the children the opportunity to ask questions of their peers, maybe the questions they'd hesitate to ask at transition days. Thank you very much to Logan and Scarlet for accepting our invitation. It will be great to see them back at Kings Nympton again.

Finally, thank you to the Friends for organising another successful Bag2School collection this week, and thanks to all parents and carers who donated.

Have a lovely weekend and enjoy the sunshine.

Benmore

Class 1

We have had a fun week in Class 1. It was great to have two transition days, when the children starting Reception in September came to join us. We based our activities on *The Scarecrow's Wedding* by Julia Donaldson and all the children really enjoyed themselves. We made our own version of the scarecrows in the story, made wedding cakes, learnt a scarecrow song and danced to The Wedding March by Felix Mendelssohn. We are looking forward to the Preschool children joining us very soon! Thank you to Mr Blackie for providing the hay!

As well as all this, Reception have been continuing to find out about people who are important to our wider community and thinking about what they would like to be when they are older. In Maths activities, they have been developing their spatial reasoning by describing the position of objects and using shapes to make pictures and other shapes. In English lessons, Years 1 and 2 have been planning their 'Thank You' stories. In Maths, Year 1 have been working with money. They have been recognising coins and notes, counting coins and making an amount of money in different ways. Year 2 have been developing their problem skills by completing investigations involving addition and subtraction, place value and money. In other lessons, the children have made and tested sundials, found out about wedding and baptism ceremonies and discovered how shopping for food has changed over the past 100 years.

What a great week,
well done to you all!

Mrs Godly

Class 2

It was great to welcome Hugo, Lorcan and Albie to Class 2 this week, in readiness for September. We enjoyed some 'getting to know you' tasks on Tuesday morning, followed by a game of rounders in the afternoon. On Wednesday, we discussed what life will be like in Class 2 and the children thought about what roles and responsibilities they would like to take on to contribute to the class

community next term. Our current Years 3-5 spent some time telling the new Year 3s all about Class 2 activities, such as Times Table Rockstars and Around the World Times Tables. In the afternoon, everyone enjoyed PE in their new groups, followed by some volcano-based experiments, including making a lava lamp!

We missed our Year 6s whilst they were away at their transition days and we were pleased to welcome them back on Thursday. They have been given their fabulous sunshine yellow leavers' hoodies to wear with pride—what a shame it's been too hot to put them on! We know how much they are all looking forward to Splashdown on Tuesday. It was also lovely to hear that the Year 6 Winkleigh parents have invited the Kings Nympton leavers to the Winkleigh end of year party next week.

We are looking forward to welcoming Scarlet and Logan back into Kings Nympton next Friday for a Q&A session about life at secondary school. Come prepared with questions, Year 6! We are very grateful to them both for giving up their time—and on the first day of their holidays! We hope that as many families as possible will be able to join us for our Leavers' Assembly on Friday at 9am as we prepare to send our leavers on their way.

The hot weather is forecast to continue next week. Please ensure children come to school with hats and plenty of water. They should also apply sunscreen in the morning and bring a bottle into school for re-application during the day.

We have missed Mr Saltearn whilst he's been off poorly and hope he will soon be feeling better.

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

As we basked in the sunshine this week, it has been a very big week for our school starters. On Tuesday and Wednesday, they joined Class One for their transition days. They were very excited and enjoyed a range of activities to give them an insight in to what September will bring. Their focus book was *The Scarecrow's Wedding* by Julia Donaldson. We joined them on Wednesday afternoon to see the local Vicar, 'Rev Godly', conducting the wedding ceremony and enjoy freshly baked cupcakes! Preschool seemed quiet without them but we soon made up for their absence as we spent the day making a gloopy dinosaur swamp and keeping ourselves cool by splashing in the water tray.

With our school starters returning on Thursday, we decided to walk to the local park. We had a lovely afternoon playing on the swings, slide and climbing frame. Our favourite piece of equipment was the zip line. We made sure we held on tight as we whizzed along, ready for the bump at the end. Lots of fun was had by all.

It was lovely to see so many of you for Parents' Evening. The children have enjoyed some wonderful experiences over the past year. We hope you have enjoyed them too. They are a very contented, happy bunch.

Next week's weather promises to be even hotter! Sunhats and sun cream at the ready. Luckily we do have our undercover area to shade us from the sun and our Preschool class room is deliciously cool.

Please join us for our Preschool leaver's celebration cream tea next Thursday morning, from 9.30-11.00, where we will wish them good luck as they embark on the next stage of their educational journey.

Have a lovely weekend.

AFTER SCHOOL CLUBS

AUTUMN HALF TERM 1

Autumn half term 1 clubs will start w/c 12th September.

Please note that club bookings are non-refundable.

Clubs are open to all children from Reception to Year 6.

Mondays 1530-1630: Pick 'n' Mix Club with Mrs Miali

Minimum of 7 children required

£3 per session, £18 for the block

Opportunity to experience lots of different activities week on week—craft, cooking, sport, gardening, dance, games - you name it, we'll try it! The children will help determine the options on offer.

Tuesdays 1530-1630: Coding Club with Coding South West

Minimum of 15 children required

£5 per session, £30 for the block

Children are taught the basics of coding and programming through making and programming robots using an educational version of Minecraft which helps children to learn how to start with code in an easy to understand and engaging format. Starting with instructions, children learn to make functioning guitars, a cat, vehicles and more. Following on from this, the children go on to make games through different software, exploring their imagination and learning a coding language called Python. Sessions are offered on Stop Motion Animation, Lego Robots, Minecraft Coding, Kodu game design and more!

Wednesdays 1530-1630: Sports Club with Saints South West

Minimum of 10 children required

Free of charge

Our popular sports club will be back next term! Children participate in a range of activities designed for maximum enjoyment and the development of team-building skills and fitness.

Thursdays 1530-1630: Drama with Antonia Whittick

Minimum of 10 children required

£4.50 per session, £27 for the block

Antonia is a professional actor who has taught LAMDA and drama workshops at local schools for the past 5 years. The drama club will introduce the LAMDA syllabus and fun improvisation drama games to build confidence and develop self-expression. The syllabus is designed to develop good reading skills, increasing fluency and understanding of written text. It aims to expand vocabulary and improve powers of self-expression. Pupils' confidence in speaking in public and listening improves, as does their memory and recall of information. LAMDA also develops a love of literature, poetry and drama.

We will confirm clubs by email w/c 18th July

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.
