

A note from the Head

Dear Parents and Carers

Well it certainly has been another action packed week! Our Year 3/4 children have enjoyed their residential at Taw Bottom Campsite, they impressed the staff at Clip n Climb with their nimble agility scaling the climbing walls. Once back at camp they set about erecting the tents and did a very good job. We are really lucky to have four Bell tents across the federation which we purchased out of our PE premium money. The children have been busy taking part in forest school activities organised by Mrs Blacker, and even cooked their own popcorn over the fire last night. I hope you have managed to follow their activities on Facebook. They may be rather tired when they return today as I don't think much sleep was had! The staff described the night as a bit of dozing occasionally! Once again, thank you to Mr Saltearn, Mr Slocombe, Mrs Blacker, Miss Parsons and Mrs Rowcliffe who gave up time away from their families, we really appreciate your commitment to the federation.

Pre school have also been very busy this week, they visited Edie's castle which from what I hear is very impressive! Thank you to Zoe for bringing a tractor in, from what I have heard the children loved it and were amazed at how big it was!

All our children have been busy practicing for Sports Day, we hope to see lots of parents on Monday afternoon supporting the children. It is so lovely to once again be able to hold these events with parents. I know the children are very much looking forward to it.

Next week continues with the residential theme, as our Year 6s will be off for their second residential surfing in Bude, I know the staff are excited!

Have a lovely weekend

Mrs Fenemore

Executive Headteacher

Chulmleigh FC Awards

Oliver received The Respect Award and Hugo received "Most Improved Player".

Well done!

DIARY DATES

W/C 4TH JULY

Daily	8.00am deadline for booking school meals on the Gateway

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

We have had a busy week in Class 1. We had another dry and fantastic day at Forest School on Tuesday, where we even managed to incorporate our learning about toast (DT) by toasting our own bread on the open fire, buttering it and then eating it! We are looking forward to our next day in the forest.

Reception have been talking and writing about the wider communities that they are a part of this week. They have drawn maps of our school neighbourhood and found out about what the school address can tell us. In Maths activities, they have been learning about taking away. They have used a variety of equipment to practise this and especially enjoyed meeting the 'Greedy Monster'!

Years 1 and 2, in English, have started a unit of work based on the book *Splat Says Thank You!* by Rob Scotton. They have written some thank you letters to people, created a story map and even written an acrostic poem about friendship.

In Maths, Year 1 have completed their unit of work on fractions. They have been using equipment to help them find a quarter and a half of a number, as well solving some fraction problems. Year 2 have been comparing and measuring mass in kilograms as well as reading and drawing thermometers to investigate temperatures.

In other lessons, the children have made wind spinners and wind spirals in order to investigate the strength of the wind, learning about religious symbols, creating a timeline to show the changes in food eaten over the past 100 years and practising for Sports Day.

A great week Class 1!

Mrs Godly

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

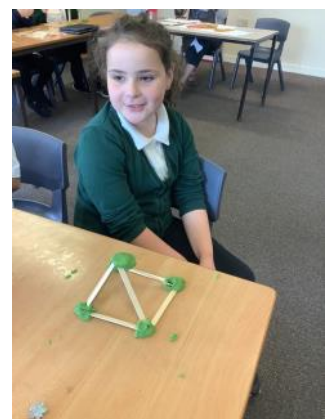

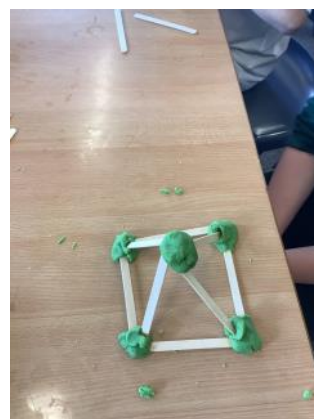

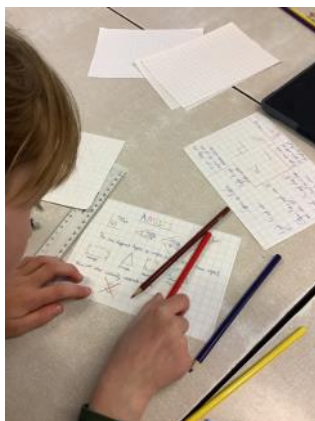

Another busy week in Class 2. In Maths this week year 5 and 6 have been revisiting different angles and angles with shapes. The children created their own information pages to inform people of theses. We have also started to investigate the interior angles in polygons and how we can use our knowledge of triangles to help us find this, the children investigated if there was a pattern to find the interior angles. Year 3 and 4 have been investigating both 2D and 3D shapes and have created their own 3D shapes and found how many faces, edges and vertices they have.

In DT this week Years 5 and 6 have been creating their own circuits for their lights without using crocodile clips and they had to successfully complete the circuit using just wire. In Year 3 and 4 we started to cost how much it would cost us to make our own Jam tarts and how much we would need to sell them for to make a profit. There were some very expensive Jam tarts. We then started to look at creating our very own type of tart and the costings for them.

Year 3 and 4 have been on their camping trip and we look forward to sharing the pictures with you next week. Remember it's sports day on Monday afternoon.

Have a great weekend.

Mr Saltearn

LITTLE WOODLANDS

SUMMER HALF TERM 2 LEARNING

This week we have been looking at farm machinery as our “Marvellous Machines” topic continues. During circle time discussions we talked about the history of farming and looked at photographs of how farming has changed over the years, with the development of machinery. We thought it was very funny that cows used to be milked by hand into a pail with the “milk maid” sitting under the cow on a stool! Now cows go into a milking parlour and are milked by a very large machine. The fields were ploughed by gangs of people working horses or even donkeys! Today the job is done using enormous tractors and ploughs. We were lucky enough to have a sit on a very large tractor and forager on Wednesday, courtesy of Zoe and Phil (Esmay and William’s parents). The children could not believe how enormous these farm vehicles were and loved sitting in the cab, beeping the horn. Even the tires were taller than the adults!

A huge thank you too to Sammie and Edie who invited us for snack on Wednesday morning. We loved playing in Edie’s garden and spending time in her amazing princess castle. Unfortunately, we could not avoid the tropical rain showers but that did not deter Alan, Edie’s resident baby robin, who happily flew into the kitchen to eat our left over fruit kebabs and biscuit crumbs.

What a busy week we have had!

Next week we will be practicing for sports day on Monday morning. Please join us from 1.30pm to cheer us on.

Our family trip to The Big Sheep is on Wednesday. We will meet you there at 10.00 am. We are keeping our fingers crossed for fine weather so we can enjoy a picnic lunch with you all.

Have a lovely weekend.

Cherry and Tammie

FUNDRAISING

BAG 2 SCHOOL FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

Kings Nympton Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

PLEASE USE YOUR OWN BAGS (THERE IS NO LIMIT).

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!
Extra bags are welcome - there's no limit

Please return your Bag2School on:

Thursday 14th July 2022 by 9am -
at Orchard House, Steeple Meadow

01609 780 222

helpdesk@bag2school.com

SUMMER DRAMA WORKSHOPS

Workshop 1 - for 11-15yrs, 15th to 17th August 10am - 3pm £55 total

Workshop 2 - for 5 -10yrs, 18th & 19th August 10am - 3pm £45 total

Using improvisation and fun drama games create your own play or scene with your own devised characters!

These sessions are intended to be fun rather than formal sessions, guided by all of you and what you would like to learn and find out about.

All ages welcome from 5yrs upwards, you'll be working in groups of similar ages, so don't worry!

Sessions run at the times shown above in the Heywood Hall at Chulmleigh Community College.

KIDS' SUMMER SCHOOL

PERFORMING ARTS Summer School

Monday 1st August - Friday 5th August

Ages: 5-13 years.

Hours: 10am - 3pm.

Cost: £140 per child (£100 for siblings).

Children will work on singing, dancing and acting and put on a short performance to parents at the end of the week!

MULTI ACTIVITY Summer School

Monday 8th August - Friday 12th August

Ages: 5-13 years.

Hours: 10am - 3pm.

Cost: £140 per child (£100 for siblings).

A whole range of activities all week to include cooking, arts and crafts, football, basketball, games and much more!

Both clubs will be held at Chulmleigh Pavilion and will be run by Matt and Andrews-Straw. We have several years of experience working with children and are fully insured and hold current DBS checks.

There are a limited amount of spaces available, if you are interested, please email amyvictoriaandrews@gmail.com or message: 07816 509583.

Please let me know the names and ages of your child/ren and which weeks you are interested in.

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.
