A note from the Head

Dear Parents and Carers,

It was lovely to hear how the children enjoyed their move up days on Tuesday, there were certainly lots of smiles around the classes.

The Year 5s stepped up to their new roles as Year 6s and role models for the school. The children who attended their transition day at secondary school had a great time and are looking forward to their new adventures. We will be sad to see them go but know they are ready to move on. They had so much fun at the surfing residential despite the weather being a little unsettled. I know they are looking forward to their final trip to the Wake Park on Monday.

Thank you to a group of our Year 6s who helped serve a 'Thank you' cream tea to the Friends of Winkleigh School committee on Wednesday. We really do appreciate everything FOWS do for the school. It is thanks to the incredible fundraising efforts of the FOWS committee that we have been able to subsidise trips and residential substantially this year, so thank you!

The Year 6 SATS results were released this week and we are really proud of how well our Year 6s performed. We will publish the results table to the school website and in next week's newsletter, once the Year 6s have received their copy of the results.

Have a lovely weekend,

Mrs V Fenemore, Executive Headteacher

DIARY DATES

W/C 17TH JULY 2023

Monday 17th July	<ul style="list-style-type: none"> ♦ PE kit today: Year 5 ♦ Dogs Trust Workshop for Year 2 to Year 5 ♦ Year 6—Wake Park Day Trip ♦ 3.30pm-3.45pm FOWS After School Ice Creams

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Nursery (Squirrels & Hedgehogs)—Mrs Stapley

This week we have continued learning about 'under the sea'. The children painted their favourite sea creatures, made sea creatures using play dough, and used 2D shapes to make under the sea animals.

We have enjoyed the book "Billy's Bucket" by Kes Gray and Gary Parsons and the children thought about and drew what they would like to find in their own magic bucket! We had lots of imaginative ideas!

Have a wonderful weekend!

The Nursery Team

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Owls Class—Mrs Bourner

Owls have had a great week this week and I know that they thoroughly enjoyed their day in Year One on Tuesday making sandwiches and enjoying a Teddy Bear's Picnic together.

Back in Reception, they have all completed their phonics assessments this week, showing fantastic progress and demonstrating that they are all now more than ready for their move to Year One.

In maths, they have been consolidating their knowledge throughout the year with some problem solving activities and games.

As part of our PSED sequence we sang songs about our bodies and named different parts. We talked about which parts are private and then enjoyed singing along with the Pantosaurus song!

The children are looking forward to their Superhero day on ***Tuesday next week where they can come to school dressed as their favourite superhero, or wearing their favourite home clothes.***

Please can we ask you to check at home for any of our class library books that might be lurking. We are still searching for a few. Could we please ask that children bring a carrier bag to school with them on Monday to bring home their books from the year.

Have a lovely weekend Owls ready for the last few fun packed days of term next week!

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Year 1—Mrs Rowcliffe & Mrs Keast

In English this week we completed our Slime sequence of learning. We planned and made our final slime recipe before using that experience to write our instructions independently. We have learned how to use time sentence starters to ensure that our instructions are easy to follow and show the correct order.

In Maths we have been learning about time. We have been telling the time to the hour and half past. We have also continued to work on our days of the week and months of the year. ***Can you sing our months of the year song?***

We completed our learning in History and have learned so much about Victorian holidays. Mrs Keast was impressed with how much we remembered about Grace Darling and how we could discuss the differences between seaside holidays today and in the past.

On Tuesday our transition day went well and we enjoyed learning about life in Year Two. We are looking forward to September!

Year 2—Miss Jones

Our last full week of term has certainly been a busy one!

We have been doing lots of finishing off in class across the subjects. We enjoyed watching the successful Year 6 vs Teachers football match on Monday, you can see the photos on Facebook!

We all enjoyed transition day in Year 3 and are excited to be in Mr Slocombe's class in September.

On Friday we had a visit from the dental hygienist who lead a session to promote the importance of good oral hygiene. This linked to what the children have covered in class linking to the PSHE and Science curriculum.

Have a good weekend everyone.

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Year 3—Mr Slocombe

Year 3 have had a brilliant week.

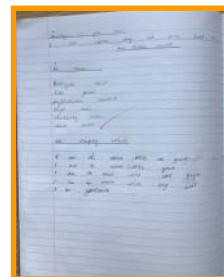

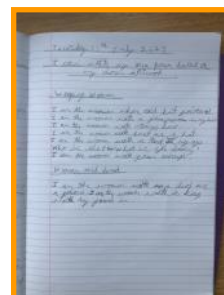

They have enjoyed spending time finding out more about Year 4 with Miss McLean on Tuesday and are now looking forward to September.

We have completed our final piece of writing which has involved creating our own poems, based on a chosen piece of artwork.

In maths, we have consolidated our understanding of fractions, as well as multiplication and division. We have enjoyed using Times Tables Rock Stars to continue to develop our knowledge of times tables facts.

Today, we learnt about how to keep our teeth healthy with a visit from the Dental Hygienist. We are looking forward to learning more about caring for and behaving around dogs on Monday when the Dogs' Trust visit.

See you next week for our final 3 days!

Year 4—Miss McLean

It's been an extremely busy week in Year Four this week, finishing off our learning sequences in preparation for the summer! There were some fantastic efforts and participation in our final Times Table Rock Stars competition of the year, don't forget you can still log on at home throughout the summer.

The children have all made their own booklets based on the Book of Bones in English this week. They chose and researched their own animals before writing clues and facts about them. We have also finished our learning in maths about position and direction. The children loved plotting coordinates to make shapes and pictures including robots.

Today, we have learnt a lot about looking after our teeth as part of our science sequence from our visitor. We know how teeth are structured and why not looking after them can cause decay and pain. The children are also looking forward to being visited by the Dogs' Trust on Monday where they will be taught about staying safe around unfamiliar animals.

Have a good weekend, see you next week for the final three days of term!

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Year 5—Mr Walter

It was great to welcome the next Year 5 class on transition day this week and equally interesting hearing all about the fantastic day the class had in Year 6.

Thank you to everyone who attended parents evening on Wednesday, it was lovely to celebrate the year with you.

On Thursday, we had the opportunity to sort out the school garden in preparation for the summer holidays. Everyone worked extremely hard and I hope it has inspired some to attend the **gardening club in September!**

I hope you all have a fantastic weekend, I look forward to our last 3 days of term together.

Year 6—Mr Davis

On Monday, Year 6 had the opportunity to fulfil their end of year wish to play in a staff vs children football match.

A boys and a girls team was assembled and managed by Mrs Rowcliffe to take on Mr Davis, Mr Walter, Mrs Bourner, Miss Jones, Mr Slocombe and special guest Mr Gillard.

Each game was played for 30 minutes and it was extremely good fun and positively competitive with the whole school sitting outside to watch how the games unfolded, cheering both teams on throughout. Even though the staff won both games narrowly, they also lost with their sore limbs on Tuesday morning. Well done Year 6!

Thursday and Friday was our long awaited surfing residential—which has been a lot of fun.

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://qrco.de/minfec>.

Families with children in Key Stage 1 who are eligible are encouraged to apply as the funding is in addition to Universal Infant Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Winkleigh Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the following website:

<https://www.gov.uk/apply-free-school-meals>

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot of your confirmation to
admin@winkleigh.devon.sch.uk

Holiday Activities and Food (HAF) programme

The aim of the Holiday Activity and Food (HAF) programme is to support children to eat more healthily, be more active over the school holidays and have a greater knowledge of health and nutrition as well as be more engaged with school and other local services.

To help you find the guidance you need, please visit:

<https://www.devon.gov.uk/educationandfamilies/document/haf-providers-summer-2023/>
