Dear Parents and Carers,

Year 5 educational visit to Devonport Energy from Waste, Combined Heat and Power Facility

Year 5 will be visiting the Devonport Energy from Waste Facility to link with our current geography sequence of sustainable living on Thursday 12th May 2022. During the visit, we will be exploring the importance of our carbon footprints detailing how we can make a difference to our planet.

Children need to wear sensible walking shoes, school jumpers and suitable trousers to meet the requirements in the facility. This trip will involve being inside and out so waterproof coats are advised. They will need a packed lunch and plenty to drink (No glass bottles, fizzy drinks, chocolate bars or sweets please.)

A school packed lunch can be requested, please indicate this on the School Gateway comments box, and a charge will be added to the Gateway where applicable.

The cost of this trip is just £1.00 per child, thanks to the generosity of the travel grant from the facility. All our trips are carefully costed to ensure good value and the best possible price. Contributions towards this trip are voluntary, however if insufficient funds are received, the trip may not be able to go ahead.

Payment and permission has been set up on the School Gateway, please log on and reply by 5th May 2022, after this date the visit will no longer be visible on the School Gateway. Please state if your child will bring a home packed lunch or if they would like to order a school packed lunch.

Regards,
Mr Walter
